

Manage your fixed assets before they become fixed assets

- Track all of your project details including status, contacts, notes, and all the financials—plus monitor both physical and financial completion of projects.
- Customize fields to your organization’s needs with over 45 user-defined fields covering multiple levels of detail.
- Create custom access profiles with built-in security settings for specific product features and projects.
- Look at your organization across all projects at the project, line-item, and transaction level as well as at-a-glance status updates with built-in reports.
- Handle expenses easily with the ability to copy, move, and split line items.
- Tie project balances to your general ledger with point-in-time reporting.
- Import invoices and other purchasing information from your Accounts Payable system.
- Integrate seamlessly with the entire family of Sage Fixed Assets management solutions including the ability to easily create new fixed assets—even those with multiple assets from a single line item—in Sage Fixed Assets—Depreciation upon project complete.

Sage Fixed Assets: We have you covered

Whether you’re reporting to senior management, a government agency, auditors, donors and executive boards, or the IRS, you’re accountable for the status and value of your organization’s many fixed assets. Those assets can take the form of buildings, machinery, computers and other electronic equipment, office furnishings, even assets you build. Accurately tracking their varied lifecycles can be a daunting task—especially when there’s so much at stake. Sage Fixed Assets can help.

<input checked="" type="checkbox"/> U.S. tax rules with IRS regulations and forms	<input checked="" type="checkbox"/> Physical inventory tracking
<input checked="" type="checkbox"/> Canadian regulations and T2S8 capital cost allowance	<input checked="" type="checkbox"/> Capital budgeting projects and construction in progress
<input checked="" type="checkbox"/> GASB 34/35 compliance	<input checked="" type="checkbox"/> Custom reporting
<input checked="" type="checkbox"/> Comprehensive depreciation	<input checked="" type="checkbox"/> Seamless ERP integration
